FROM THE PRINCIPAL'S DESK

'Dear Parents

"The mind is not a vessel to be filled, but a fire to be kindled." – Plutarch

In every child, there is a world waiting to be explored. We are committed in our mission to inculcate a state of happiness in every child to ensure a peace-loving and harmonious world.

Since its inception, Paramhansa senior secondary School has endeavoured to transcend learning beyond boundaries. We are devoted to set benchmarks in nurturing children to grow into strong, matured, kind and intelligent adults, who are original in their ideas and decisive in their actions.

Mahatma Gandhi rightly said "The best way to find yourself is to lose yourself in the service of others." Firmly believing in our core values of Courage, Compassion, Equality and Integrity we at Paramhansa School aim to nurture our students so that they are well equipped to face the competitive society with value-based knowledge and skills that have contributed towards the growth and vision in building global citizens and a conscientious humanity.

Keeping in mind that to teach is to touch a life forever, we believe in holistic education that encompasses academics, co-curricular activities, sports education and life-skills learning. The campus, sports and academic facilities all bear testimony to this belief. As we venture ahead and spread our wings in this spectacular valley of value-based education our endeavour is to strike a balance between state-of-the-art- infrastructure and a robust curriculum that opens the door to global platforms for our peace loving and problem-solving students. Activities and events related to value education, environment, health education, games and sports, visual and performing arts, culture and heritage, personality development are effectively woven into the main fabric of school curriculum.

Also, parents are the primary educators of children, but as the child starts schooling, we must devote ourselves to shoulder the responsibility together. As Principal, I would like to personally welcome you to our Paramhansa family. We hope that your child's journey with us will surely help in yielding fruitful results and envisage our shared dreams and to dream anew.

"And now let us welcome A NEW WORLD OF LEARNING, full of things that never were." The moment is TODAY...

Warm Regards

ANNOUNCES

FROM CHAIRMAN'S DESK

It is extremely gratifying to see this glorious institution growing from strength to strength. Our intent is to shape tomorrow's citizens and make them academically sound, physically robust, morally upright and oozing with confidence. Multidimensional events are organized to unravel the children's latent talent and make them well groomed. Ours is a cohesive system which gives a strong and balanced impetus to academic rigour and co- curricular achievements. We are also making a gradual and steadfast foray into infrastructural changes to give our students a resourceful learning environment. With seasoned teaching and establishment staff, we look forward for creating global citizens whose outlook will be modern and value grounded. Best opportunities are provided to each child to recognize aptitude, maximize potential, enhance performance and overcome weaknesses. We envisage that before leaving the ramparts of the De Indian Public School, every child is packed with positivism and imbued with lofty ideals, right habits, attitudes and manners.
